*Georgetown is located 50 miles west of Denver, Colorado on Interstate 70. The Georgetown cemetery was located on the south shore of the lake at Georgetown, Colorado until approximately 1970. At that time the cemetery was moved to the Masonic Alvarado Cemetery. The Masons own the Alvarado cemetery and it is in no way connected to the Town of Georgetown nor the County of Clear Creek. The cemetery is located approximately five miles east of Georgetown, Colorado on the I-70 frontage road. Take the Georgetown exit off of I-70, turn left at the 4-way stop when entering the town, and proceed east past the lake.*
