***1919 History of Henry County, Missouri, by Uel W. Lamkin (Historical Publishing Company), p. 416 {12094}***

“General Lafayette Park [#2D84/1], a prominent farmer and stockman of Big Creek township, is a native of Tennessee. He was born in Cock County April 9, 1860, a son of John A. and Catharine M. (Garrison) Park, natives of Tennessee. The father died April 11, 1910, and the mother now resides with her son. John A. Park was a Confederate veteran. He enlisted in his native State and served in behalf of the lost cause until the fall of Vicksburg. At the close of the war he went to Indiana, where he remained until 1868. He then came to Missouri, settling near Lees Summit, in Jackson County, where he was engaged in farming until 1889. He then came to Henry County and he and his son, General Lafayette, purchased a farm in Big Creek township, which the latter now owns. Mr. Park's farm consists of nine hundred forty acres and is one of the well improved and valuable farms of Henry County. Mr. Park carries on general farming and stock raising. He is known as an extensive stockman and raises about one hundred head of cattle annually. He has shipped as many as four cars of hogs in one year. March 10, 1888, G. L. Park was united in marriage to Miss Anna Lou Gault of Jackson County, Missouri., She is a daughter of James and Rebecca J. (Flanery) Gault. Mrs. Park's mother died in 1908, and her father is now living retired and spends much of his time with his children. To General Lafayette Park and wife have been born the following children: James, farmer and stockman in Big Creek township, who makes a specialty of breeding Percheron horses and mammoth jacks; Anna Belle, married Roy Albin, Big Creek township; Lafayette, farmer and stockman in Big Creek township, and Mabel, married Ralph Butcher, Big Creek township. Mr. Park is a member of the Masonic Lodge and is a director in the Farmers Bank of Chilhowee, Missouri. He is a progressive and enterprising citizen and always stands ready to co-operate with and support any enterprise for the betterment or upbuilding of his township and county.”

“D. K. SPOTTS [#374], can be truly classed as one of the pioneer citizens of Prairie township. He was born in Augusta City, Virginia, May 9th, 1826. He removed with his parents to Howard county in 1835. May 27, 1856 he was united in marriage to MARGARET A. PRATHER. They have four boys and three girls. His oldest son, EUGENE, is in the dry goods business at Des Moines, Iowa; E. R. SPOTTS is practicing law at Houston, Texas; DR. B. M. SPOTTS

is practicing medicine a Blackburn. A. P. SPOTTS is in the lumber business in this city. Mr. Spotts has engaged in farming all his life and still owns a farm. Along with tilling the soil, Mr. Spotts has made quite a success of the insurance business, and is now agent for several companies. Two years ago Mr. Spotts removed to Armstrog, where he now resides. He has been a steward in the Methodist church for many years. Mr. Spotts isa public spirited man and is always ready to lend a helping hand to public enterprises.”

[Note from Betty Collier: If I "know" something I consider useful, I will add the information. The article by Mr. Walton said Mary A. Prather, wife of D. K. Spotts. She was Margaret, not Mary, so I changed the name. Daughter of James E. Walkup and Arretta Marksberry, she married Philip Prather (1). No children were born of this marriage. D.K. Spotts was her second husband. Margaret was also sister of J. J. Walkup, who's sketch also appears in this series.]

*Randolph Co., Higbee News, 29 Sep 1916, Obituary of James E. Rucker {12288}*

“JAMES E RUCKER DEAD--James E. Rucker, long recognized as one of Randolph county's most progressive farmers, as well as one of its most high minded, kind hearted and charitable citizens, died at his home just north of town at 9 o'clock Sunday night, Sept. 24, 1916, following an illness of several weeks.

Deceased was a son of Capt. Minor Rucker, a valiant soldier of the War of 1812, who moved to Missouri from Virginia in 1833, locating in what was then Howard, but is now Randolph county, entering and buying 1900 acres of land where Randolph Springs are. It was on this farm that James Edwin Rucker was born, Oct 3, 1839, and where he grew to manhood.

Being of a studious turn of mind, he was given a thorough education, graduating with high honors from Mt. Pleasant College in 1860 under the guidance of William R. Rothwell.

In 1863 he was united in marriage to Miss Sarah C. Smith, daughter of Joel Smith, one of the county's prominent farmers and capitalists. They were blessed with a family of eight children, all of whom, with the mother, survive, viz: J. Walker, Mrs. Wm. Higginbotham, Mrs. G. M. Nichols, Mrs. Wm. McGlothlin, Mrs. W. F. Spotts [#3763/1], Joel S., Mrs. W. L. Cave and Mrs. W. D. Burke.

Mr. Rucker had been a citizen of Moniteau township for almost fifty years, having resided continuously on the farm where he died since 1874. The township nor the county never contained a broader minded or more tender hearted man, nor one more willing to give of his time and means in the aid of any worthy cause or to relieve those in distress. He united with the Baptist church in 1884 under the preaching of the Rev. S. Y. Pitts, and had been an active officer in the church since its organization in 1886.

Funeral services were conducted at the church Tuesday afternoon by his former pastor, the Rev. L. M. White, assisted by Eld. E. Y. Keiter. Interment was made in the city cemetery, the Masonic fraternity, of which deceased had long been an honored member, having charge of the services. In the death of this good man the county as well as his family has suffered an irreparable loss, and the sympathy of all goes out to the bereft.”
