Dated: 16 March 1829
Proved: July Court 1829

“Rockingham County, Virginia

In the name of God Amen I, Joel S. Graves, of the County of Rockingham State of Virginia being weak in body but of a sound and disposing memory do make this my Last Will and Testament in manner and form following, that is to say

First of all I desire and will that all my just debts and funeral expenses be paid and for this purpose order that all my perishable property be sold together with all my land lying in the following bounds: beginning on the county line of Rockingham and Shenandoah near a _____; thence following the County line to the top of Chapman’s Mountain not far from Hepner(?)’s Gap; thence following the top of the Mountain to Daniel Utz land; thence leaving Geo Utz’

land to the east and pursuing the mountain to a corner which Jonce (?) made for John Deets and then with the lines of that survey to the foot of the Mountain to a corner of said survey; thence around the foot of the Mountain in a north west direction with the lines of the Big Survey so-called to the beginning (except my slaves) by my executors hereinafter to be named. And if that should prove insufficient to pay my debts, I order and will the land in the following bounds be also sold to aid in the discharge of my just debts, that is to say: Beginning on the top of Chapman's Mountain and pursuing the County to the top of the long ridge near the Maple Spring thence along the top of said Ridge to a Deep Hollow; thence down the Hollow to Branch crossing said Branch and N. Naked Creek to Utz' said line and with his line and to the top of the mountain; and thence with a line of the first mentioned tract to the beginning. Should this still prove insufficient, I order a part of the land I hold in the county of Orange be also sold and the proceeds applied in discharge of my debts. To wit: beginning at the angle of Rockingham and Orange County line and pursuing the Orange line down as far as my line extends and then with my patent line to the top of a ridge nearly opposite old Mrs. Booton's and thence up the ridge to the top of the mountain; thence along the mountain to the beginning.

- Next I give and devise to my son James the tract of land I had one surveyed for John Deets of which I hold a plat containing about eleven hundred acres with the exception what I sold Jacob Bear to be good to him, his heirs and assigns forever.
- 3rd Item. I give and devise to my daughter Sarah Daniel five hundred acres of land beginning at the Rock Bridge and corner to James' land and Bear land thence crossing south Naked Creek to the top of the Mountain from thence to a large High Rock near Powell's Creek and then in such a direction around to James' land as to include the said five hundred acres to be good to her, her heirs and assigns forever.
- 4th Item. I give to my daughter Nancy Hammer, her heirs and assigns forever the land included in the following bounds that is to say: Beginning on Folands (?) Line on the top of a Ridge opposite to where Smith once lived; thence up the said Ridge to Ben. Powell's line and with his lines to Beesley's lines and directly on the Branch that comes down from Beesley's; thence down the Branch to Foland's lines and with thence to the beginning.
- 5th Item. I give and bequeath to my son Joel Asher his heir and assigns forever five hundred acres of land beginning at a small hickory (where two red oaks stood) corner to the Wycick's place; thence along the lines of the Wydick's place to Geo. Utz land and with his lines on to the top of the mountain and thence down to south Naked Creek crossing the creek to a large pine across said branch and near the ford continuing the course to the top of the mountain on Ridge on the south side of the creek; thence to the white (sic) near the Road and Corner of the Wydick's tract; thence with a line of the same to the beginning so as to include the five hundred acres.
- 6th Item. I give and bequeath to my daughter, Cinthia, her heirs & assigns forever five hundred acres of land including the plantation where Joseph Samuel now lives. Beginning at the S. Naked Creek where Joel A. crosses and thence up the Creek to the lock; thence up the right hand prong to the mouth of Aggy's Run; thence up that branch to said Aggy's Run; up from thence in such a direction to Joel A. corner on the top of the mountain on the South side of Naked Creek and with line to the beginning as to take in the five hundred acres.
- 7th Item. I give and bequeath to my son Harden, his heirs and assigns forever five hundred acres of land beginning at the mouth of Aggy's Run and running up Jack's prong two hundred and fifty poles from thence to a place called Buck Thorough Fare from thence around in such direction as will include the five hundred acres.
- 8th Item. I give and bequeath to my daughter Drucilla Strole [#62/1], her heirs and assigns forever five hundred acres of land beginning on the county line of Rockingham and Shenandoah at

- a corner of the land directed to be sold near the Maple Spring and thence with that line along the top of the ridge two hundred and fifty poles Thence leaving the top of the ridge nearly at right angles crossing Naked Creek and pursuing that course for enough as to include five hundred acres of land in nearly a square.
- 9th Item. I give and bequeath to my Daughter Elizabeth, her heirs & assigns five hundred acres of land lying in between the land given to Drucilla Strole and Joel A. to be laid out in the most suitable manner for a farm.
- 10th Item. I give and bequeath to my two Grand Sons Joel Smith and Walter Riley Thomas their heirs and assigns for ever five hundred acres of land to be laid off between Jack's and Thomas Creeks to begin in the fork of the creeks and pursuing each branch far enough to include five hundred acres.
- 11th Item. I give and bequeath to my Daughter Frances, her heirs and assigns forever two hundred and fifty acres of land including the place adjoining Jack's place so called where James Breeding now lives Beginning at a poplar and locust tree corner to Thomas Graves' and with his line to a poplar sump. Thence with the same degrees towards a place called Turkey Head thence at a right angle two hundred poles from Thence in a direction to the Slippery Rocks Branch where the path crosses said branch from thence in such direction around including the clear land and we will take in the two hundred and fifty acres.
- 12th Item. I give and bequeath to my daughter Jane Crop her heirs and assigns forever my undivided moiety of the Jacks place so called and when it is divided I order and direct that one hundred and fifty acres more of wood land shall be added to the half allotted me to lie along the side of it.
- 13th Item. I give and bequeath to my daughter Susan her heirs and assigns forever five hundred acres of land including the place which Benjamin Hensley and Elijah Breeden now lives to begin at the place where I directed my Daughter Nancy Hammer to begin on the ridge opposite Smith's old house on a line of Foland's Land; and, thence up the ridge with Hammer's line to Powell's line then around towards Berrey's land in such a direction as will include the said five hundred acres. And if in the future it shall so turn out that the place where Benjamin Hensley and Elijah Breeding now lives shall be lost by any prior or older right that in that case I order and will that my daughter Susan shall be compensated by other land of equal value.
- 14th Item. I give and bequeath of my Daughter Betty Rains, her heirs and assigns forever a small piece of land lying between Berry's, Jacob Miller's and William Rain's land being fifteen acres more or less together with a Negro girl named Mariah and her two children which she had while belonging to me and what household furniture, stocks etc. I gave her heretofore. I desire it to be understood that my son-in-law William Hammer has a Negro girl in his possession named Ann and which I wish him to return to my family of Negroes to be disposed of agreeable to my own wish and if he refuses to return her I will and order that he shall be excluded from any farther devise on or part of my estate by his wife.
- And farther I will and order that my slaves shall be equally divided among my several children here named, that is: James; Sarah Daniel; Hardin; heirs of my Daughter Elizabeth Thomas decd, namely Joel Smith and Walter Riley Thomas; Drucilla Strole; Cinthia; Elizabeth; Frances; Jane Crop; Susan; Joel Asher; and Nancy Hammer provided her husband William Hammer returns the Negro Girl Ann now is his possession otherwise to be excluded. And all such other lands and property which I own and not herein particularly given or devised I will and order that be sold by my Executors to the best advantage on a reasonable credit and the money arising therefrom to be equally divided between all my children herein named provided they comply with the preceding requisitions of this Will.

And lastly I do hereby constitute and appoint my friend George Conrad and my son James Executors of this my Last Will and Testament revoking all other or former wills by me heretofore made. In witness whereof I have hereunto set my hand and affixed my seal this sixteenth day of April one thousand eight hundred and twenty nine.
