***Letter from Martha E. (Shaver) Burnham [#B5] to Mary E. (Shaver) Baird [#B33]
{306}***

Copperopolis, Calif.
April. 12th 1923

My dear Niece:

I was indeed glad to hear from you. and it found me still in bed. but the Dr. thinks in about two weeks he can take the cast off and then I may be able to rest better.

I enjoyed your letter very much and would love to see you. in regard to my relations your Grandfather married a Moss, and her Grandfather was in the Revolutionary War and died in it. and they came (Shavers came) from Germany instead of Holland.

I am not sure of the date the Shavers came to America but they came before the Revolutionary War set in. and I can't say just what part of Germany they came from. Jacob Shaver was my father and married Thirza Moss. and my father's mother's maiden name was Blackwelder.

I am very tired of lying in bed on my back and hope when the Dr. takes the cast off to soon be able to set up and then soon get around. and write to me often as I appreciate your letters very much.

My Great Grandfather Moss fought in the first Revolutionary War which lasted 8 years and he died in the service and my father fought in the second Revolutionary War.

Your loving
Aunt Martha.
